

## IMAGISTONE FOR KITCHENS-HOW TO MEASURE:

### Kitchen Countertop:

#### Pricing is by length of countertop not square feet.

\$795 covers up to 20 feet of countertop with existing edge profile or \$940 with Bullnose edge.

or \$895 for up to 25 feet of countertop with existing edge profile or \$1,195 with Bullnose edge.

or \$995 for up to 30 running feet of countertop with existing edge profile or \$1,450 with Bullnose edge.

Add \$35 per running foot for each foot over 30 feet.

Imagistone backsplash and a High Gloss or Matte finish is included in the above pricing.

### Kitchen Backsplashes.

Backsplashes are included in the above pricing

Custom stone and tile backsplashes are priced separately by the project.

### Optional Custom Edge Profiles.

Other decorative edging such as Stacked or Waterfall is available for \$4 additional per running foot of edging.

### Existing Rounded Corners:

Add \$28 per each rounded corner edge.

Many existing center islands and raised bars have rounded corners.
